**ERRATA**

February 6, 2006

TO: ALL COUNTY CHILD WELFARE DIRECTORS

SUBJECT: CORRECTION TO ALL COUNTY INFORMATION NOTICE
(ACIN NO. I-76-05, DATED DECEMBER 9, 2005 HURRICANE
KATRINA EVACUEES LIVING IN CALIFORNIA)

The purpose of this errata is to clarify a paragraph in ACIN I-76-05, dated December 9, 2005. The paragraph on page 2 entitled "CWS/CMS" is amended to inform County workers where to record the special project codes and shall be read as corrected in the following:

CWS/CMS

Children who have relocated to California as a result of the Katrina disaster that come to the attention of Child Welfare Services should be documented in CWS/CMS. For this purpose, two new Special Project Codes will be available in the system for all counties to utilize. County workers shall utilize the appropriate codes listed below and record them on the appropriate Special Project Page. The code for evacuated non-dependent children who are referred for allegations of neglect and/or abuse after coming to California should be entered in the Referral Notebook on the Special Project Page. The code for the evacuated minors who are already dependents of a Juvenile Court in another state should be entered in the Case Notebook of the Special Project Page.

Please note that no changes have been made to the two Special Project Codes earlier described in ACIN I-76-05. If you have any questions regarding these errata please contact Richard Costa or Glenn Jue at the CMS Support Branch, at (916) 651-7884.

Sincerely,
